

WORKSHOP INFORMATION *(PLEASE HANG ON TO ME)*

The Signal Starters Christmas workshop is led by industry professionals and will give your child the opportunity to learn about the filmmaking process and make a film in a week. We will be making a snowman animation project.

The Signal Starters activities will include story writing and storyboarding, hands on camera and sound equipment workshops, film set environment shoot days, editing and presenting their film to an audience. If you have any further questions regarding the workshops, please do not hesitate to contact us.
